

Quality & Food Safety Policy

JDW SUGAR MILLS LIMITED is committed to produce Refined Cane Sugar that meets the quality, food safety and Halaal standards. By adhering to this policy, we ensure that our product meets the consumer requirements, expectations and comply with all local and international rules and regulations.

We meticulously monitor, evaluate and adapt every stage of the production process, from sourcing raw materials and ingredients to delivering the finished product. This ensures our sugar remains free from physical, chemical, biological and filth (Najis) contaminations. Our commitment to these rigorous standards drives the continuous improvement of our processes and reinforces our dedication to quality, safety and compliance.
